Mission Statement

Wright Education Academic School Club and Academic Holiday Club aims to create a secure, happy and stimulating learning environment in which all can grow, be confident and fulfil their potential.

Our Aims and Objectives

At Wright Education, we aim to ensure each child feels happy, safe and secure, allowing them to learn and develop freely in a play centred environment, as well as encourage children to take responsibility for themselves and their actions.

We believe it is important to encourage children to develop positive attitudes and respect for themselves and others, in an environment free from bullying and discrimination. We will provide a programme of activities, which meets the needs of each child, promoting their physical, intellectual, emotional and social development, enabling them to become confident, independent and co-operative individuals

Curriculum Learning

Our goal at Wright Education After School Club, we ensure homework is fully understood, so that it can be completed to a standard expected of their school. We ensure a high standard and expectations as set by the schools are adhered. Children are

expected to bring their homework and reading books to the Academic After School Club. Staff at Wright Education will listen to children read and sign their reading record with comments to help meet the target(s) set by their teacher. Wright Education follows the new curriculum for spelling and children, giving children the opportunity to practise them.

Wright Education understands that during the summer, children can lose up to 25% of the information they learnt during the school year. Our goal at Wright Education Academic Holiday Club is to extend their learning during the summer so that they do not lose any of their skills, knowledge and abilities, as well as preparing them for their new school term. Our morning sessions consists of math, reading and literacy; these lessons have all been designed to be fun and interactive, making sure the children don't feel like they are back in a classroom, but having fun whilst learning.

Administering Medication Policy

If a child attending Wright Education requires prescription medication of any kind, their parent or carer must complete a **Permission to Administer Medicine** form in advance. Staff at the club will not administer any medication without such prior written consent.

Ideally, children should take their medication before arriving at the club. If this is not possible, children will be encouraged to take personal responsibility for their medication, if appropriate. If children carry their own medication (e.g. asthma inhalers), the club staff will offer to keep the medication safe until it is required. Inhalers must be labelled with the child's name.

The Wright Education can only administer medication that has been prescribed by a doctor, dentist, nurse or pharmacist. However, if a medicine contains aspirin, we can only administer it if it has been prescribed by a doctor. All medication provided must have the prescription sticker attached which includes the child's name, the date, the type of medicine and the dosage.

A designated staff member will be responsible for administering medication or for witnessing self-administration by the child. The designated person will record receipt of the medication on a **Medication Log**, will check the medication is properly labelled, and will ensure that it is stored securely during the session.

Before any medication is given, the designated person will:

- Check that the club has a current completed **Permission to Administer Medicine** form
- Ask another member of staff to witness that the correct dosage is given

When the medication has been administered, the designated person must:

- Record all relevant details on the **Record of Medication Given** form
- Ask the child's parent or carer to sign the form to acknowledge that the medication has been given

When the medication is returned to the child's parent or carer, the designated person will record this on the **Medication Log**.

If a child refuses to take their medication, staff will not force them to do so. The manager and the child's parent or carer will be notified, and the incident recorded on the **Record of Medication Given** form.

Certain medications require specialist training before use, e.g. Epi Pens. If a child requires such medication, the manager will arrange appropriate training as soon as possible. It may be necessary to absent the child until such training has been undertaken. Where specialist training is required, only appropriately trained staff may administer the medication.

A child's parent or carer must complete a new **Permission to Administer Medicine** form if there are any changes to a child's medication (including change of dosage or frequency).

If a child suffers from a long term medical condition, the club will ask the child's parents to provide a medical care plan from their doctor, to clarify exactly what the symptoms and treatment are so that the club has a clear statement of the child's medical requirements.

Anti-Bullying Policy

The Wright Education will provide a supportive, caring and safe environment in which all children are free from the fear of being bullied. Bullying of any form is not tolerated in our club, whether carried out by a child or an adult.

Staff, children and parents or carers will be made aware of the club's position on bullying. Bullying behaviour is unacceptable in any form.

Any child who is a victim of bullying will be dealt with in a sympathetic manner. If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff informed, and then discussed with the supervisor. A clear account of the incident will be recorded in an **Incident Log**. All staff will be informed so that close monitoring of the victim and bullying can begin. Parents of both parties will be informed.

The Wright Education define bullying as repeated harassment of others through emotional, physical, psychological or verbal abuse.

Emotional: Being deliberately unkind, shunning or excluding another person from a group or tormenting them. For example, making another person feel 'left out' of a game or activity, passing notes about others or making fun of another person.

Physical: Pushing, scratching, spitting, kicking, hitting, biting, taking or damaging belongings, tripping up, punching or using any sort of violence against another person.

Psychological: Behaviour likely to create a sense of fear or anxiety in another person.

Verbal: Name-calling, put-downs, ridiculing or using words to attack, threaten or insult. For example, spreading rumours or making fun of another person's appearance.

Racial harassment can take any of the forms of bullying listed above, but is motivated by the victim's colour, race, nationality, or ethnic or national origins. Incidents of racial harassment will be recorded as such on the **Incident Log**. See the Equalities policy for more information on how we deal with and challenge discriminatory behaviour.

Cyberbullying is when someone harasses, torments or humiliates someone using a technology; such as texting, emails, social media and websites such as Facebook or Instagram.

Preventing bullying behaviour

Staff at Wright Education will foster an anti-bullying culture in the following ways:

- ✓ Encouraging caring and nurturing behaviour
- ✓ Discussing friendships and encouraging paired, group and team play
- ✓ Encouraging children to report bullying without fear
- ✓ Discussing the issues surrounding bullying with the children, including why bullying behaviour will not be tolerated

- ✓ Exploring the consequences of bullying behaviour with the children

Responding to bullying behaviour

Wright Education acknowledges that despite all efforts to prevent it, bullying behaviour is likely to occur on occasion. Should such incidents occur, the club will follow the procedure outlined below:

- We will address all incidents of bullying thoroughly and sensitively
- Victims of bullying will be offered the immediate opportunity to discuss the matter with a member of staff who will reassure the child and offer support
- They will be reassured that what they say will be taken seriously and handled sympathetically
- Staff will support the individual who has been bullied, keeping them under close supervision, and checking their welfare regularly.
- If another child witnesses bullying and reports this, staff will reassure them that they have done the right thing. Staff will then investigate the matter.
- If a member of staff witnesses an act of bullying, involving children or adults at the club, they will inform the supervisor.
- Children who have bullied will be helped by discussing what has happened, establishing why the child became involved. Staff will help the child to understand why this form of behaviour is unacceptable and will encourage him/her to change their behaviour.
- If bullying behaviour persists, more serious actions may be taken, as laid out in the suspensions and Exclusions policy.

All incidents of bullying will be reported to the manager and will be recorded in the Incident Log. The manager and relevant staff will review the club's procedures in respect of bullying, to ensure that practices are relevant and effective.

Behaviour Management Policy

The Wright Education Academic After School Club and Academic Summer School Club use effective behaviour management strategies to promote the welfare and enjoyment of children attending the Club. Working in partnership with parents, we aim to manage behaviour using clear, consistent and positive strategies. The Club rules are clearly displayed at every session, and are discussed regularly. The Club will have a designated member of staff responsible for behaviour management.

Whilst at The Wright Education Academic School Club and Academic Holiday Club we expect children to:

- Use socially acceptable behaviour
- Comply with the Club rules, which are compiled by the children attending the club
- Respect one another, accepting differences of race, gender, ability, age and religion
- Develop their independence by maintaining self-discipline
- Choose and participate in a variety of activities
- Ask for help if needed
- Enjoy their time at the Club

Encouraging positive behaviour

At The Wright Education Academic School Club and Academic Holiday Club positive behaviour is encouraged by:

- Staff acting positive role models
- Praising appropriate behaviour
- Informing parents about individual achievements
- Celebration for exceptional accomplishments
- Offering a variety of play opportunities to meet the needs of the children attending the Club

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand that their behaviour is not acceptable. Staff at the Club will try to determine the cause of triggers of the inappropriate behaviour to prevent the situation from recurring.

Dealing with inappropriate behaviour

- Challenging behaviour will be addressed in a calm, firm and positive manner
- In the first instance, the child will be temporarily removed from the activity
- Staff will discuss why the behaviour displayed is deemed inappropriate
- Staff will give the child an opportunity to explain their behaviour, to help prevent a recurrence
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation
- If the inappropriate behaviour appears to be as a result of boredom, staff will consult with the child to find activities that more fully engage them

Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.

We will not threaten any punishment that could adversely affect a child's well-being (e.g. withdrawal of food or drink).

If after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, the Club may decide to exclude the child in accordance with **Suspensions and Exclusions** policy. The reasons and processes involved will be clearly explained to the child.

Physical Intervention

Physical intervention will only be used as a last resort, when staff believes that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property. If a member of staff has to physically restrain a child, the manager will be notified and an **Incident record** will be completed. The incident will be discussed with the parent or carer as soon as possible. If staff are not confident about their ability to contain a situation, they should call the manager or, in extreme cases, the police.

All serious incidents will be recorded on an **Incident record** and kept in the child's file. This may be used to build a pattern of behaviour, which may indicate an underlying cause. If a pattern of incidents indicates possible abuse, we will implement child protection procedures in accordance with **Safeguarding** policy.

Corporal punishment

Corporal punishment or the threat of corporal punishment will *never* be used at the Club.

We will take all reasonable steps to ensure that no child who attends our Club receives corporal punishment from any person who cares for or is in regular contact with the child, or from any other person on our premises.
